

Girl Scout Summer Camp Registrations Open Cyber Monday

Girl Scouts Carolinas Pikes To Piedmont

HICKORY, N.C.—Girl Scouts Carolinas Peaks to Piedmont has released its 2027 summer camp guide in honor of National Camp Day on November 19.

The local council's summer camp guide details all camp programs including spring events as well as overnight, day, and horse summer camps. This year's summer camp programming will be held at both Keyauwee Program Center in Sophia and Camp Pisgah in Brevard so more girls across the region can unlock a new adventure.

"At Girl Scouts, every project, badge, and adventure builds new skills and the confidence to use them," said Elaine Loyack, Chief Executive Officer of Girl Scouts Carolinas Peaks to Piedmont. "Summer camp is a safe space for girls of all ages to grow their independence and experience belonging, and we want all girls to have access to these opportunities."

Traditional camp activities include archery, swimming, crafts, games, and more.

Campers can also participate in theme weeks, days at the barn, and leadership programs. Summer camp is a great opportunity for girls to unplug, try something new, and experience the magic of nature alongside friends without the influence of technology.

Both Girl Scout camps are accredited facilities that have been serving Girl Scouts and the broader community for over 80 years. Facilities include a modern, air-conditioned dining hall, swimming pool, climbing wall, cooperation course, archery range, a lake for boating, and more. Keyauwee is also home to the Circle C Equestrian Center that features an indoor arena, outdoor trails, seasoned school horses, and an adorable miniature herd.

Camp is for all girls and Girl Scouts with programming for every age level. Girls do not have to be a current Girl Scout member to attend camp, and financial assistance is available. The local council awarded over $20,000 in financial aid to nearly 100 campers in 2026, increasing accessibility to these important programs for girls thanks to the council's generous supporters.

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Additional savings for families are available including the early bird, multi-registration, and current member discounts. Girls can also earn Cookie Dough by participating in the Girl Scout Cookie Program, which kicks off in December, that can be applied toward programs like camp, events, and more.

Summer camp registration opens on Cyber Monday, November 30. Families can visit www.CampLikeAGirl.org to find the 2027 summer camp guide and more information on Girl Scouts Carolinas Peaks to Piedmont outdoor programming.

We are Girl Scouts of the USA, a nonprofit organization dedicated to building girls of courage, confidence, and character.

Girl Scouts discover who they are, tap into the power inside them, and build the confidence to let it shine. Through programs from coast to coast and overseas, girls of all backgrounds and abilities come as they are to explore their passions, meet new challenges, and develop hands-on skills. They find their strengths in science labs and on hiking trails, at cookie booths and in front of city councils. Backed by millions of alums and a network of dedicated adult volunteers and mentors, Girl Scouts drive change to make the world a better place. Along the way, they uncover the tools they need to lead with joy, on their own terms. Join us, volunteer, reconnect, or donate.
